

Toshiba e-STUDIO 4511
45ppm Black/11ppm Color Copier-Printer-Fax-Scanner

Highly Recommended

The Toshiba e-STUDIO 4511 offers color copy, print and scan included within entry-level price. Faster warm-up time than competing convenience color devices; extensive network scanning; saddle-stitch booklet finishing; hole punch finishing. The Toshiba e-STUDIO 4511 with it's rich feature set, easy to use user interfaces and aggressive running cost pricing will be "the device to beat" in the new convenience color marketplace.
